

hmap::ImageWriter

```
graph BT; A[hmap::OpenCVWriter] --> B[hmap::ImageWriter]
```

The diagram illustrates a class hierarchy. At the bottom is a gray box labeled 'hmap::OpenCVWriter'. A blue arrow points upwards from this box to a white box at the top labeled 'hmap::ImageWriter', indicating that 'hmap::OpenCVWriter' inherits from or implements 'hmap::ImageWriter'.
